Below is an overall site plan showing the extent of the ongoing work.

Should you have any questions or concerns with construction please contact the following phone number (210) 209-8811, or send an email to clark-guido@clarkconstruction.com. Please provide the following information with your message to allow us to provide a prompt response.

- Name

Additionally, as we prepare for the remaining work on the Plaza we would like to perform an existing conditions survey to understand your property. Our team will be in contact in the coming weeks to coordinate with you and your tenants.
