

City of San Antonio Hosts Public Information Meeting to Discuss Alamo Plan Phase One Road Closures

ALAMO PLAZA Phase 1 Scope Boundary

- Street closures begin in January/February 2020
- Phase 1 Construction complete in late 2020
- Regular construction updates provided by Alamo Trust, Inc.

On Tuesday, December 10, the City of San Antonio hosted a public information meeting to discuss the street closures that will begin in late January as part of Phase One of the Alamo Plan.

Broadus & Associates and Pape-Dawson Engineers presented the Phase 1 scope boundaries and discussed the changes associated with the street closures.

City representatives gathered valuable input from the public concerning a new location for taxi waiting spaces that will be affected by Phase One, loading zones on Crockett and Alamo Plaza, and traffic congestion. The project team will continue to coordinate with stakeholders and will provide updates to the public leading up to and during construction.
